Remove Remove with a slotted spoon, plunge into a bowl of cold water to cool quickly, then peel carefully and set aside.In a bowl, mix the mince, black pudding, parsley and garlic; season. Divide into 6 portions (about 110g each) and flatten each into a circle roughly 13cm. Place an egg in the middle and use your hands to mould the mixture up and around to enclose the egg. Repeat with the remaining eggs, then place on a plate and chill for 20 mins. the remaining egg in a shallow bowl. Put the seasoned flour and breadcrumbs on 2 separate plates. Dust a coated egg in the flour, then dip in the egg and finally coat in the breadcrumbs. Transfer to a plate and repeat with the remaining eggs.Half-fill a large, high-sided saucepan with oil and heat over a medium-high heat until it reaches 180°C on a thermometer or a small piece of bread turns golden in 60 secs. Deep-fry 2 eggs at a time for 8 mins until crisp and dark golden, turning occasionally. Remove with a slotted spoon and drain on kitchen paper. Repeat with the other eggs, allowing the oil to return to temperature in between. Sprinkle with sea salt and serve warm or cold with English mustard.
